Revision in Credit rating

Annexure-A

• **CREDIT RATING BY CARE**

The revision in ratings done by CARE during Financial Year 2017-18 for Non-Convertible Debentures is as follows:-

CARE Ratings			
Facilities	Amount (Rs. In Crore)	Ratings	Remarks
Non-Convertible Debentures (NCD's)	4.01 (Reduced from 30) (Rupees Four Crore and One Lakh)	CARE BB; Stable as per letter dated 18th August, 2017	Revised from CARE BBB- [Triple B]

<p>Pursuant to</p> <ul style="list-style-type: none"> Para 3 of Annexure – I of SEBI Circular No. CIR/CFD/CMD/4/2015 dated September 09, 2015 on "Continuous Disclosure Requirements for Listed Entities - Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015" Read with regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. 	<p>The reasons of downward rating of INTEC by CARE rating Agency are as follows:</p> <p>The revision in the ratings assigned to the Bank facilities and the NCD issue of Intec Capital Limited (ICL) factors in the continued deterioration in the asset quality of the company. Furthermore, the financial performance in FY17 (refers to the period April 01 to March 31) is marked by consolidation in the operations resulting in significant decline in total income and profitability. The rating also factors in the company's exposure to small and medium enterprises which have relatively weaker credit and business risk profiles and ICL's moderately diversified asset book. The ratings however, derive strength from the company's long track record of operations, comfortable capital adequacy, diversified borrowing profile and adequate liquidity. The ability of the company to re-establish the business growth while improving its asset quality, spreads and capital adequacy, would be the key rating sensitivities.</p>
